

Steps to become a Suffolk County Volleyball official and a member of SBVO

1. You must complete an online training course set down by NY State (NYSCVOA), referred to as EOT. There is a \$50 fee for the EOT through the link provided: <http://www.sunyocc.edu/community> . Please notify both Rich Maggio (SBVO.President@gmail.com) and myself, Diane Sanciola (SBVO.Secretary@gmail.com) when you have completed the EOT.
2. The EOT must be completed for you to be eligible to enroll in the SBVO course. The course is \$125 and consists of zoom classes and on court instruction. There are approximately 10 classes total. Our classes usually run in August.
3. Once the courses are completed you will have to pass both a written exam and an on court practical.
4. Fingerprint clearance must be submitted.
5. You must purchase the required uniform and equipment.
6. Once your SBVO dues are paid (currently \$139), your first assignments will be for the Modified girls volleyball (November 2025 - January 2026).
7. Please note that there is a separate on court rating and a separate dues to officiate boys volleyball. Although under the same umbrella, Boys and girls Volleyball are separate certifications.
